B	INVESTOR COMPLAINTS	(NOS.)
	Pending at the beginning of the quarter	1
	Received during the quarter	1
	Disposed of during the quarter	1
	Remaining unresolved at the end of the quarter	1

NOTES :

- 1 The above unaudited Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on July 30, 2013.
- 2 The Company has formed LLP named Aurelle Jewellery LLP to venture into trading of high end jewellery in domestic market.
- 3 The Company is engaged primarily in the business of 'Manufacture and sale of Jewellery' and hence there is no separate reportable segment within the criteria defined under Accounting Standard (AS) -17 'Segment Reporting'.
- 4 The Company has changed its accounting policy with regard to recognition of exchange differences arising on translation of Forward contract and Exchange Traded Currency Futures Contracts by following an appropriate hedge accounting policy and applying the principles set out in AS-30 "Financial Instrument: Recognition and Measurement". The Company has w.e.f. from April 01, 2013 designated Forward contract and Exchange Traded Currency Futures Contracts as hedge instrument to hedge its foreign currency risks of highly probable forecast transaction (of revenue streams) to be accounted as cash flow hedge. During the current period ended June 30, 2013, the net exchange difference loss on Forward contract and Exchange Traded Currency Futures Contracts amounting to ₹ 2,510.43 Lakh has been recognized in Hedging Reserve Account. As a result, the charge on account of exchange difference loss for the current period is lower by similar amount and therefore previous period and previous year figures are not comparable.
- 5 To comply with Accounting Standard (AS)-2 "Valuation of Inventories", during the year, management has ascertained the cost of polished diamonds on lot wise weighted average which until March 31, 2012 were valued at estimated cost based on technical evaluation of the management.
- 6 Figures of the quarter ended March 31, 2013 are the balancing figures between audited figures of the Company in the respect of the financial year ended March 31, 2013 and the unaudited figures upto nine months ended December 31, 2012.
- 7 Previous period/year's figures have been regrouped/rearranged wherever necessary.
